*Choose Smart Learning (Nes School)
Learning is Life*

DIRECTOR'S MESSAGE

From the director's desk :

It is an immense pleasure to declare that this school is a stepping stone in the success of my educational career. In the educational sector, I am running the Teachers' training college for 18 long years. My motto is to frame an educational hub where students can facilitate themselves with various spheres of education under one umbrella. A child's curiosity and eagerness to learn must be encouraged and building a strong foundation during the formative years equips a child for the future. To achieve sustainable growth in terms of the infrastructure and facilities that are provided to the student for their holistic development through modernized teaching qualities to customized for students of varied backgrounds. Students are the clays and teachers are the potters who mold them into various shapes suitable to sustain in this society. Activities and syllabus plan for continuous I upgrading and improvement which touches every students mind intriguing imagination at its fullest. The faculty of the school exhibits talent, knowledge to the core that comes from long years of their dedication in the field of education implementing techniques perpetually for the development of students for generation to come.

Lastly, I take this opportunity to thank you for choosing us to care for your child's education and I assure you that we will give the best education to our students to be compatible, conversant & prosperous in every path they choose to make a mark and I am sure our students will excel in every sphere and will participate to empower India. I await your arrival and encourage you to yield gratifying and amiable journey of education with me and experience a sumptuous benediction which will be bestowed upon you. I do believe that only quality education helps to blossom these tiny buds into the fruitful flowers in the nation.

Thus it is rightly said that the objective of education is to acquire knowledge and wisdom- it is the source of infinite power, the unity of infinite thoughts and the reflection of infinite energy, each child is unique and educators should meet each child's need.

ABOUT THE SCHOOL

Darwin International School founded in 2017 and followed CBSE curriculum. From its inception, our school serves the basic foundation of knowledge being imparted to a child. Today we have quality education embracing all the nuances in the field of education with the development of the students being of paramount importance to us. This school runs as a co-educational institution and a strictly English medium school with the ethos of value education and multilingualism. We are especially concerned that no students of this area should be deprived of this education just because he/she is financially poor.

The school focuses on the development of scholastic and co-scholastic areas. It offers children the advantage of academic training, providing excellence on cognitive, psychological, physical, emotional, cultural, moral, aesthetic and spiritual development. Educators amalgamating with technology and experienced teaching skill sets are the assets of this school. The school provides the best possible methods of imparting education and learning through vision that enhances the student teaching experience. The school gives special emphasis to develop the children as good citizens and prepares for service and diligent in all spheres of their life. It helps the students to foster intense bondage to our cultural heritage and pay homage to it. School education encompasses the varied range of education with experienced educators where the student learns to socialize and groom their personality. It reflects diverse series of extensive educational years where students come across with their first role models i.e., The Teachers.

This school projects the very idea of qualitative tutoring and enriches the students' perspective regarding the societal notion. Both academic and co-curricular activities will be reared keeping in mind that the students are the building blocks of the nation. It propounds the gust of wind of updated knowledge to the students so that they strengthen their base and get a perfect window to show their calibre in the prime spheres of life.

'Arya Sabhyata' - The Group of Institutions

Established in 2005 with a foresight to mark the beginning of a new epoch of education, by focusing on Innovation, Quality and Excellence, *Arya Sabhyata - The Group of Institutions* is founded by Mr. Bishnu Pada Das.

With over seventeen years of experience in the field of academics, the main aim of *Arya Sabhyata* is to develop itself as a medium to establish a network of educational institutions across the nation.

The group's main purpose is to disperse knowledge in the field of Teachers' Training, Law, Pharmacy and School Education. The group is dedicated to provide an outstanding experience to the learners to shape their academic career in particular and shape the society in general.

Arya Sabhyata - The Group of Institutions dream to pave the way of the future generations and ensure them a secured learning environment.

L I B R A R Y

Library at D.I.S. is planned to serve the needs of the learners as well as the requirements of the teachers. More than 2000 books are available in the library covering the subject books, reference books and story books as well to develop the interest of learners in all types of genres.

C O M P U T E R L A B

"Computer Science is a science of abstraction-creating the right model for a problem and devising the appropriate mechanizable techniques to solve it." The advance computer laboratory in our school assists students in developing robust computer systems. Students are introduced to a variety of digital tools by a professional mentor who helps them to learn new and relevant information needed for their studies.

L A B F A C I L I T I E S

● **Composite Science Lab:**

D.I.S. has well equipped laboratory for imparting practical knowledge in science. The lab is well stocked with ample specimens, chemicals and instruments so that each students get the opportunity to carry out experiments independently. The safety of every child is duly taken care of.

● **Mathematics lab:**

D.I.S. has established a well equipped Maths lab with an approach of making students discover the beauty, importance and relevance of mathematics as a discipline. Teachers emphasize on mathematical process using a variety of mathematical teaching aids in the form of models, games, charts, CDs, books etc.

● **Chemistry Lab:**

D.I.S. has a well equipped chemistry laboratory with necessary apparatus, chemicals, salts and solutions required by the students to learn through experiments.

● **Biology Lab:**

The Biology Laboratory is well stock with Microscopes, live specimens of plants and animals, human skeleton, clay models and charts.
